### Are you Relocating?

We photograph and document the actual condition of your household goods before they are packed or crated.

Now you have documented and recorded proof of your personal effects for verification and reference in the event of a mishap.

### About Us:

Proof Providers cc provides you with a unique service by safeguarding your valuable possessions against any discrepancies when the necessity arises to prove your facts.

We provide you with a fully itemised photographic inventory of your home or business assets and more...

We photograph every item and prepare printed and documented evidence for your records.

There is now a uniquely secured document, with tamper proof photographs printed and captured on CD for easy referral.

You will receive a bound colour document containing itemised evidence along with a password protected CD for your back-up and security purposes.

Suitable for:

- Personal Use
- Insurance Purposes
- Photographic Evidence
- Relocation – condition of household goods before you move
- Shipping / Packing Evidence
- Defects Lists - Rental Property
- Property Condition Records
